- 

## Jan Brink, chronology

- |      |   |
|------|---|
| 1960 | Born in Hörby, Sweden.  |
| 1967 | Jan starts school. Same year he joins the hockey team in Tyringe.   |
| 1970 | Jan starts riding at the local riding club – Tyringe Riding School.   |
| 1973 | Jan gets his first horse, the 2 year old crossbred mare <i>Nepita</i> .<br>He is at the same time successful in the hockey team in Tyringe.   |
| 1975 | The first competition is a LB show jumping class with <i>Nepita</i> .<br>After that, they continue to compete in show jumping and eventing.   |
| 1976 | Graduates from elementary school. Deselects hockey to invest wholeheartedly in the riding. The same year he gets accepted into Flyinge's winter equestrian short term training program. |

- 1977 Participates at Flyinge horse shows and is employed by Flyinge. The same year Jan begins to train dressage horses in the evenings in rental yards. Commences export sales of dressage horses.
- 80-81 Military service at P2 in Hässleholm, Sweden. Jan gets to know Britt and Bruno Albinsson and they begin a cooperation.
- 1981 Jan ends his employment at Flyinge. Starts the company Tullstorp Dressage Stable in Hässleholm together with Bruno Albinsson. Moves to Ballingslöv.
- 81-82 Trains horses for export sales in collaboration with Bruno Albinsson. They decide to continue the development of Tullstorp together.
- 82-83 Jan begins his riding education with Georg Theodorescu, Warendorf. He brings two of his own horses from Sweden. Tullstorp is at this time empty and being rebuilt to host 20 horses.
- 1984 Jan returns to Sweden. He starts to train young stallions for stallion shows and performance tests.
- 84-86 Competing successfully on horses he educates himself. Sales horses and export increases. Tullstorp develops step by step, more and more victorious stallions come from Tullstorp.
- 1986 *Magini* 695 (later the father of Briar) wins the performance test.
- 1987 *Martini* 744 becomes a two-time winner of the stallion and performance test with the highest index ever.
- 88-90 Competing frequently up to S-classes with the stallions *Alegretto* 693 and *Martini* 744 with great success.
- 1991 Wins his first Grand Prix with *Another Senator* in Belgium.
- 1993 *Martini* 744 makes his debut in Grand Prix. Jan is selected for the Swedish National Team for the first time. New business contacts are made in Brazil, Jan starts training clients in Rio and later Sao Paolo.
- 94-96 Jan trains regularly in Hamburg with his role model Herbert Rehbein. He starts training for Kyra Kyrklund, who will come to have a significant influence on his future development and success.
- 1995 Three important stallions from Tullstorp are in the top during the performance test. *Sack* 907 wins the performance test. *Briar* 899 is placed 2nd.

The show jumping stallion *So What* becomes the best show jumping stallion.

- 1996 Jan takes over and buys the company Tullstorp to run and develop the business on his own. He rents the land and stables from Albinssons. *Sack 907* wins Breeders Trophy, *Bríar 899* is placed 3rd.
- 1997 Jan participates at the European Championship and wins a bronze medal together with the Swedish team on *Martini 744* in Verden, Germany. *Sack 907* wins Breeders Trophy for 6 year old, *Bríar 899* is placed 2nd.
- 1998 World Championship bronze team medal in Rome with *Fontana 849* (by *Martini 744*).  
Jan buys out Albinssons and now owns the entire Tullstorp. The new indoor arena and the octagonal barn is being designed and planned.
- 1999 The new indoor arena and stallion stable is officially opened. Tullstorp is converted to a limited company.
- 2000 Jan participates in his first Olympic Games in Sidney, Australia on 9 year old *Bríar 899*.
- 2001 Jan becomes Swedish Champion when winning the National Championships together with *Bríar 899*. They take a 10th place individually at the European Championships in Verden, Germany.
- 2002 Swedish Championship gold with *Bríar 899*. Jan is placed 12th individually at the World Championship in Jerez, Spain. *Bríar 899* takes his first World Cup victory.
- 2003 Swedish Championship gold with *Bríar 899*. Jan takes a historical individual European Championship silver medal with *Bríar 899* in Hickstead, England.
- 2004 Jan and *Bríar 899* are placed 7th at the Olympic Games in Athens, Greece. *Bríar 899* is ranked as no. 1 stallion in the world.
- 2005 Swedish Championship gold with *Bríar 899*. With *Bríar 899*, Jan wins the Great Aachen Championship as the first Swedish rider ever and with the record score of 82,7%.  
Ranked as the second best rider and horse in the world.  
Takes double European Championship bronze, both with the team and individually with *Bríar 899*. *Bríar* is no. 1 on the world ranking.

- 2006 Swedish Championship gold with *Briar 899*. Bronze at the World Cup final in Amsterdam, the Netherlands. The new training stable at Tullstorp is officially opened.
- 2007 Gold at the Swedish National Championship with *Briar 899*. A 5th place at the World Cup final in Las Vegas, USA. *First Wish 1103* becomes the champion of the stallion performance test and winner of the 3 year old championship. Jan takes a bronze medal with the Swedish team at the European Championship in Turin, Italy.  
Jan marries Catharina Svensson from Copenhagen.
- 2008 Jan and the Swedish team takes a 4th place at the Olympics in Hong Kong. Wins his 7th Swedish Championship gold with *Briar 899*. Jan scores a 5th place in World Cup final with *Briar 899*. Shared Grand Prix victory with the Briar son *Biggles 1015*.  
The riding student Sara-Henrietta B. Källström becomes a double Nordic Champion for Juniors and wins the Power Cup.
- 2009 Double victory at the World Cup in Scandinavium with *Briar 899*. Jan ends his international competition career in Las Vegas at the World Cup final with a farewell for *Briar 899* and his extra ordinary career. 4 Grand Prix victories with *Biggles 1015*.  
*JJ Rayban 1173* is the only approved 3 year old stallion at the stallion performance test.  
The student Sara-Henrietta B. Källström makes a hat-trick at the Swedish Championships and becomes the Swedish Champion for Young Riders and wins the Young Rider Kraft Cup.
- 2010 *JJ Rayban 1173* becomes the Champion of the performance test. *Briar's* brother *Okeanos 1097* makes his debut in Grand Prix and scores a 2nd place. The student Sara-Henrietta B. Källström does it again and wins the Swedish Championship for Young Riders as well as the Nordic Championships. The student Marina Mattsson makes a second hat-trick at the Swedish national championship and becomes a Swedish Champion for juniors. The student Elin Aspås wins silver at the championship for juniors. The daughter Angelina is born.
- 2011 *JJ RayBan 1173* wins the Scandinavian Open in Falsterbo and the breeding championship in Flyinge. *Hohenstaufen II* wins the 7 year old championship at Flyinge.  
*Okeanos 1097* is successfully competing with many victories up to and in

Grand Prix. Jan is very active as a trainer and coach of Swedish and international riders which results in gold and silver medals for the students in the Swedish and Danish Championships.

Tullstorp student Anna Zibrandtsen takes three medals at the European Championship.

Hannell Dressage is founded and the cooperation with Tullstorp increases. Jan and Catharina's son Oliver is born.

2012 *Zaladin M1 1240* wins the Swedish Stallion Performance Test. The stallion *JJ RayBan 1173* wins the Swedish Breeding- and Sports Championship at Flyinge for 6 year old.

Jan is very active as a trainer for both Swedish and foreign young riders who win two Swedish Championship gold medals for junior- and Young Riders as well as a gold medal at the Danish Championship for juniors. Anna Zibrandtsen also wins a bronze medal at the European Championship. Jan is very active as a trainer for the riders at Hannell Dressage. Jan Brink is awarded Trainer of the Year 2012.

2013 *Sankt Erik II 1265* wins the Swedish Stallion Performance Test. The Tullstorp Stallion Program expands within both jumping and dressage with a total of 24 stallions in the program and several semen import stallions, expands the cooperation with Schou Absolute Horses and Royné Zetterman. Tullstorp's stallions are in the lead in Sweden both with regards to the number of mares covered and with the results of the offspring with Ampère in the lead.

Tullstorp students are in the top both nationally and internationally. Marina wins the Swedish Championship for Young Riders and later the Nordic Championship both individually and takes a team gold medal together with the Tullstorp colleague Elin Aspås. Later in the summer, both riders are part of the Swedish team that is placed 4th at the EC. Marina is placed 6th individually in the final. Marina is later announced Star of Tomorrow at the riders gala and is placed 2nd at the Lövsta final.

Danish student Anna Zibrandtsen wins a silver medal at the Danish Championship for Young Riders and later a silver team medal at the Nordic Championship with the Danish team. Anna is also in the EC final and later she has a double victory both at the Ecco Cup and at the JBK Horse Show CDIY where they win both with the team and in the kür final. Later that year they win the Ecco Cup final in Danish Middelfart.

A successful competition year for Jan & *Zaladin M1 1240* with victories and great placements at the young horse competitions.

Jan Brink wins several competitions on the talented 7 year old *JJ Ray-Ban 1173* and wins the Grand Prix debut with the 8 year old *Rentino*. The New office and pool house is officially opened.

2014

Tullstorp's Stallion Program is further expanded within among others jumping with the semen import of 3 stallions from Hof Sosath in Germany. Several stallions are approved at the Swedish Stallion Performance Test. The Performance Test Winner in jumping *Contador 1283* stands stud at Tullstorp during the entire breeding season. Successful additional stallion show at our cooperation partner Hannell Dressage's place in Falkenberg.

*Ampère*-offspring beats the record: an *Ampère*-offspring was sold in spring at the Excellent Dressage Sales auction in Holland for SEK 3,4 million, *Ampère*'s offspring are in top at the Swedish Breeding index and the foals born in Sweden beats the record at the Swedish Elite Foal Auction with 6 foals sold at a record high average price and the most expensive foal sold ever at the auctions. *Ampère*'s offspring win several stallion tests in Verden, KWPN etc.

Tullstorp rider Ida-Linn Lundholm has a successful season of competitions where she competes at Falsterbo Horse Show and the World Championship for Young Horses in Verden and comes 3rd in the final for 5 year old at the Swedish Breeding- and Sportschampionship at Flyinge with *Eclectisch 1319*.

Jan Brink's Danish student Anna Zibrandtsen has great international success. Anna wins silver individually at the Danish Young Rider Championship and wins a team gold medal at the Nordic Championship. Later she wins a bronze medal with the Danish team at the European Championship in Arezzo and comes 4th individually with the approved stallion *Detroit*. Jan Brink's student Marina Mattsson makes quite an entrance at the U25 arena this year. Marina starts the season by winning her international U25 Grand Prix debut in Kapellen and then wins the Swedish Young Rider Championship gold medal with 75% and beats the record in S:t Georges with the score 77,75% at Falsterbo Horse Show. Marina then comes 3rd in the U25 Grand Prix final in Aachen, 3rd in the U25 Grand Prix final in Odense, Denmark, wins 2 qualifications for the LFC and then also wins the LFC U25 Grand Prix final at Friends Arena during Stockholm International Horse Show. Marina is selected by the Swedish Olympic Committee. Tullstorp student Mathilde Hannell does her personal best score in the finals at the European Championship in Arezzo and is placed 4th in the

junior Nations Cup with the team. Lina Jönsson takes a team bronze medal at the Nordic Championship and is placed 4th at the Swedish Championship for juniors.

2015

The Tullstorp stallion program is expanded on the jumping side with *Clinton II* stationed at Tullstorp and with frozen semen available on the world famous stallion *Cornet Obolensky*. Several approved stallions at the Swedish Stallion Performance Test, among others two 3 year old.

Tullstorp rider Ida-Linn Lundholm is placed 1st and 2nd in the stallion competition during the stallion performance test. She wins with *Sankt Erik II* with 83,75% and comes 2nd with *Eclectisch 1319* with 82,5%. After a number of victories, *Eclectisch 1319* is later qualified and nominated for the World Championship for Young Horses in Verden.

Tullstorp student Marina & *Beckham* commences the international competition season with a 5th placement at the CDI5\* World Dressage Masters Kür Finals in Vidabaun. Later Marina & *Double Diamond* wins the YR FEI Team competition in Odense and the YR gold medal at the Swedish Championship.

The Danish student Anna Zibrandtsen & *Rentino* wins a bronze medal at the Danish U25 Championship and later they win the CDI U25 Grand Prix in Odense, Denmark.

Both Tullstorp riders and students do well in Falsterbo and are well represented both in the U25 final and in the Scandinavian Open final for 7 year old. The approved stallion *RayMore 1284* is placed 5th in the Scandinavian Open final with 71,790% and is thereby the best Swedish horse in the final. Jan is also placed in the final for 7 year old with *Zaladin M1 1240*. Later that year, Jan & *Zaladin* came 2nd at the final for 7 year old at Breeders Trophy. 3rd in the final is Ida-Linn & *Fürst Sheriff* and 4th is the Tullstorp student Marie Munters & *Indeed*. At the Breeders Trophy for 3 year old, Ida-Linn wins the final with *Dragon Welt 1303*. Ida-Linn is also 3rd in the final for 5 year old with *Daimjenko*.

Tullstorp is even well represented at the European Championship for juniors and Young Riders with the students Marina Mattsson, Emma Jönsson and Lina Jönsson who all competes horses from Tullstorp that Jan has found for his students.

The Tullstorp student Marina Mattsson wins 3 medals, one bronze medal with the team together with Tullstorp colleague Emma Jönsson and two individual bronze medals. Marina & *Beckham* wins the internadional CDI2\* Grand Prix in Malmö later that year and makes her debut in the World

Cup in Lyon at the age of 21.

Mathilde Hannell & *Deela Mae* are placed 3rd in the great U25 Lövsta Future Grand Prix final at Friends.

The Tullstorp partner since many years, Willab, releases their new brand Hansbo Sport at a great event at Tullstorp.

2016

An exiting year for the breeding at Tullstorp with both the well-known Danish dressage stallion *Skovens Rafael 1337* and the jumper sire *Nintender 1189* stationed at Tullstorp during the entire season. Even the famous *Comme il Faut* and *Berlin* are available through Tullstorp. The stallion *Skovens Rafael 1337* has a great breeding season and is the most popular stallion among the Swedish mare owners in 2016.

Danish Tullstorp student Anna Zibrandtsen & *Rentino* takes a silver medal with the Danish U25 team at the competitions in German Braunschweig. Marina & Beckham are placed 2nd in the Grand Prix Special at the international competitions in Doha.
